Another volume on the way. This one will have the next Tenka-Ichi Budokai in it, so it's great. During Typesetting, I noticed that in one picture, Gohan didn't have a halo. That made me think. As far as I can remember, you only get one day on earth once you're dead. Goku only has one (or was it two). But Gohan is fighting for Baba. Did Toriyama come up with the time limit later, or did Gohan only fight for this day. And if so, how did he know it would be this day?

Another one of the full color monsters done, where you have to go over every pixel of the color to make it all smooth and even. You can't imagine how doing that drains the fun out of the work. To the point where I want to stop doing it. But I think I have more of half of them behind me by now. Luckily they get less frequent as the story goes on.

Pilaf is back again. The Dragonball universe sure is a strange place. We have walking and talking animals, like the turtle and the bandit that wanted to eat her. Different kinds of monsters like Buyon and even strange humans like Kuririn or Tien. Too bad their origins were never really explained. Because Pilaf looks like a namekian. Can't really remeber if Piccolo had a nose, but if he had then there could be some Kuririn genes in there. Would explain the height as well. Maybe there was some strange shit going on in a future time-line and descendants of piccolo and kuririn hooked up and then the kid travelled back in time.

The question I had about the dead Gohan being there that day was answered. Other than that, it was a slow chapter. And I think the next 2-3 won't be that different. RŌSHI-SAMA, IT'S BEEN A LONG TIME.
YEAH, THIS SURE BRINGS BACK MEMORIES. STILL, I CAN'T BELIEVE I DIDN'T REALIZE IT WAS YOU RIGHT FROM THE START.

SO GRAMPA, WHEN DID YOU COME BACK TO LIFE!?
NO NO, IT'S NOT THAT I'VE BEEN BROUGHT BACK TO LIFE.

MUTEN RŌSHI-SAMA'S HONORABLE ELDER SISTER IS CAPABLE OF FREELY MOVING BETWEEN THIS WORLD AND THE AFTERLIFE.
AND SO SHE SCOUTS DECEASED MARTIAL ARTS MASTERS FROM THE AFTERLIFE, PAYING THEM A HAND-SOME SALARY TO COME FIGHT MATCHES FOR HER HERE.

IN THAT CASE, WILL YOU COME LIVE WITH ME AGAIN !?
NO, NO.
THAT WON'T WORK. I'M ONLY ABLE TO RETURN TO THIS WORLD FOR 1 DAY

SO WAS IT JUST A COINCIDENCE THAT YOU TWO MET HERE TODAY !?

NOPE, BIG SIS CAN TELL THE FUTURE THROUGH DIVINATION. YOU KNEW THAT WE'D BE COMING HERE TODAY, DIDN'T YOU?
HEHHEHHE, NATURALLY.

GOHAN ASKED ME TO TELL HIM IF ANY TYKE WITH A TAIL EVER HAPPENED TO STOP BY.

I WAS WORRIED ABOUT GOKŪ, BUT I NEVER IMAGINED HE HAD TRAINED UNDER YOU, MUTEN RŌSHI-SAMA.

Phew. Gotten through another one of these monsters. The time of year definitely didn't help, with having to shop for presents, baking cookies, having to go to parties and the whole shebang. Even with spending like 70-80% of my free time on this project, a color chapter just takes forever to get done. And what makes it worse, is that even after working away at a page for 5 hours you find it's still not done yet. You don't get this satisfaction of seeing something accomplished because progress is so slow. It really wears you down over time, trust me on that. Still, you feel refreshed at least a little once it's done. And even more so when you start working on the next black/white chapter and you feel it getting easier again. And with this we have 17 color chapters done (counting the long chapter 1 as two, and adding up half colored ones). That leaves 24 to go. But at least more spread out.

Editors rant.

I'm back just to be semi off again. My sister and her boyfriend are going skiing for a week and she has drafted me to Kingstone (lit. translation) to take care of her cats. The very old one her boyfriend brought into the relationship is scary thin, has no tail anymore, a blind watery eye and a problem controlling her drool. And she's into cuddling to round the horror off. And the other one is a stray that decided to move in. The name Jabba would be very fitting and you wonder what possessed the cat to choose the house where she would look most fat (by direct comparison) in all of Germany. Anyway, I must spend a lot of time there. Even though my own cat is still always startled even though she's 2 already (although it might be that she get's paranoid from smoking weed), isn't into cuddling and doesn't like to get touched, I don't look forward to it that much. It's only a 20 minute drive, but gas isn't that cheap anymore. And I don't wanna throw my money and time away by driving back and forth several times a day.

Long story short, I won't get to my pc as much as usual. And I'm not really in the mood to install Photoshop on my Laptop to turn it into a temporary workstation. But I'll try to make it home here and there to squeeze some time in.

HEHEHE
I CAUGHT SI-XING-QIU BEFORE IT WENT FLYIN' OFF!

WOW, I AM AMAZED YOU MAN-AGED THAT!
IN THAT CASE, YOU WILL NEVER HAVE TO SEARCH FOR DRAGON-BALLS AGAIN!

YEP!!
I'M GONNA TRAIN FOR THE NEXT TENKA-ICHI BUDOKAI!!

ON THAT NOTE.
WE WERE TALKING WHILE YOU WERE AWAY, AND MUTEN RŌSHI-SAMA WILL BE ALLOWING ME TO TRAIN UNDER HIM!

WHAT?! REALLY ?!
YEAH, I'LL RESTART MY TRAINING AT THE BASICS, AND DO IT RIGHT THIS TIME.

TRAINING'S FINE AND ALL, BUT
DON'T LET HIM TURN YOU INTO A PERVERT!
GEEZ, WHY DONTCHA LAY OFF THIS "PERVERT" TALK FOR A CHANGE?

SO WE'LL ALL BE TRAINING TOGETHER !!
YOU'RE DIFFERENT.

HUH ?
GOKŪ, YOU'RE ALREADY QUITE SKILLED.
BUT YOU WANT TO GET EVEN BETTER, RIGHT?

YEAH .....
I WANNA BE WAY, WAY STRONGER, BUT...

THEN WE WILL MEET AT THE NEXT TENKA-ICHI BUDOKAI !!
I'LL BE LOOKING FORWARD TO IT!!

HUH!? SO THEN I WON'T MEET GOKŪ FOR ABOUT 5 YEARS!?
NO, 3 YEARS. SEEMS THAT DUE TO THE INCREASING NUMBER OF CON-TESTANTS, FROM NOW ON THE TOURNAMENT WILL BE EVERY 3 YEARS.

GOTCHA !!
ANYWAY, IT'LL BE THE NEXT TENKA-ICHI BUDOKAI !!

I'M GOING TO LEAVE YOU SPEECHLESS AT THE NEXT TOURNAMENT!
WHAT? I AIN'T GONNA LOSE!
GOOD LUCK, GOKŪ-SAN!

HUH ?

YOU CAN'T USE KINTO'UN! YOU'LL WALK! RUN! SWIM!
THAT'S TRAINING TOO!
HUH!? AROUND THE WORLD WITHOUT KINTO'UN !?

WOW... THAT'S ROUGH.
IS...IS HIS TRAIN-ING REALLY THIS TOUGH .?

WELL!

HE...HE'S ALWAYS SO EASY-GOING...
I WONDER IF HE HAS EVER FOUND ANYTHING DIFFICULT ...

AL-

EHHO.
EHHO.
GOKŪ HAS SET OUT ON A JOURNEY IN SEARCH OF EVEN GREATER STRENGTH... WHILE KURIRIN AND YAMCHA THROW THEM-SELVES INTO MUTEN RŌSHI'S TRAINING... AND SO, NEXT CHAPTER IS 3 YEARS FROM NOW...THE TENKA-ICHI BUDOKAI BEGINS AGAIN...!!

グオオオ・・・・・・ン

THIS TIME YOU'LL DEFINITELY BE CHAMPION, YAMCHA-SAMA!!
SO, FINALLY TIME FOR THE TENKA-ICHI BUDŌKAI?

FINE, DURING THE MATCHES I WILL SHOW YOU THE FRUITS OF MY 3 YEARS OF TRAINING.
THAT'S NOT GOING TO HAPPEN. I'M HERE, AFTER ALL.
PAFPAF

I'm proud to say that I haven't earned a single cent doing this scanlation. In my opinion only the author and the publishers deserve to do that. But I can find my work on online-readers like mangafox or batoto, that earn a lot of money with what they do. Which is made even worse by the fact that us scanlators get harassed by the publishers, while these people go seemingly untouched. Not to mention that none of these online readers even had the decency to ask permission to display my work.

Please do not upload this scanlation to any online-reader whatsoever.

Editor's rant

My stupid cat managed to puke while sitting on top of the monitor I use for the old PC. Which will make setting up the programs on my new PC exactly like on the old ones so much harder, now that I only have the flatscreen for my new PC. Not to mention that it burned up some of my free time, dealing with it. I bet you'll never find that story in a Simon's cat book.

Editors rant:

I left the match setup board untranslated. Writing them from left to right or up and down wouldn't have worked. The names are just too long in english to do either.

Here's some information on the names first used in the chapter:

Jiaozi: This is the name of a kind of Chinese dumpling, often called "pot stickers" in English. The DB character is named directly after this food, but people often spell his name "Chaozu" in English, treating his name as if it were Japanese rather than Chinese. "Jiaozi" is a more accurate way of spelling the name in English.

Tian Jinfan: Like his companion, the three-eyed bald guy is named after a Chinese food. But in his case, it's actually a dish invented in Chinese restaurants in Japan, rather than China itself. So it's really pseudo-Chinese more than anything. That being the case, it's kind of a tossup as to whether to use the Chinese or Japanese spelling for his name. "Ten Shinhan" is the Japanese spelling and you see that a lot, but I thought it'd be odd to use the Chinese spelling for his companion but not him. He's also unique in apparently having both a family and given name, like Son Goku, and so he's sometimes called simply "Ten/Tian". ("Tien" is an alternative Chinese reading of this name)

Lastly, sorry about the first page. My attempt to contact mangafox was simply ignored. And the credits page conveniently became the last displayed image (on previous chapters it was displayed first). So I put it on the first page of the chapter as well. And one last thing straight from my heart:

FUCK MANGAFOX, BATOTO AND MANGAREADER

I'm proud to say that I haven't earned a single cent doing this scanlation. In my opinion only the author and the publishers deserve to do that. But I can find my work on online-readers like mangafox or batoto, that earn a lot of money with what they do. Which is made even worse by the fact that us scanlators get harassed by the publishers, while these people go seemingly untouched. Not to mention that none of these online readers even had the decency to ask permission to display my work.

Please do not upload this scanlation to any online-reader whatsoever.

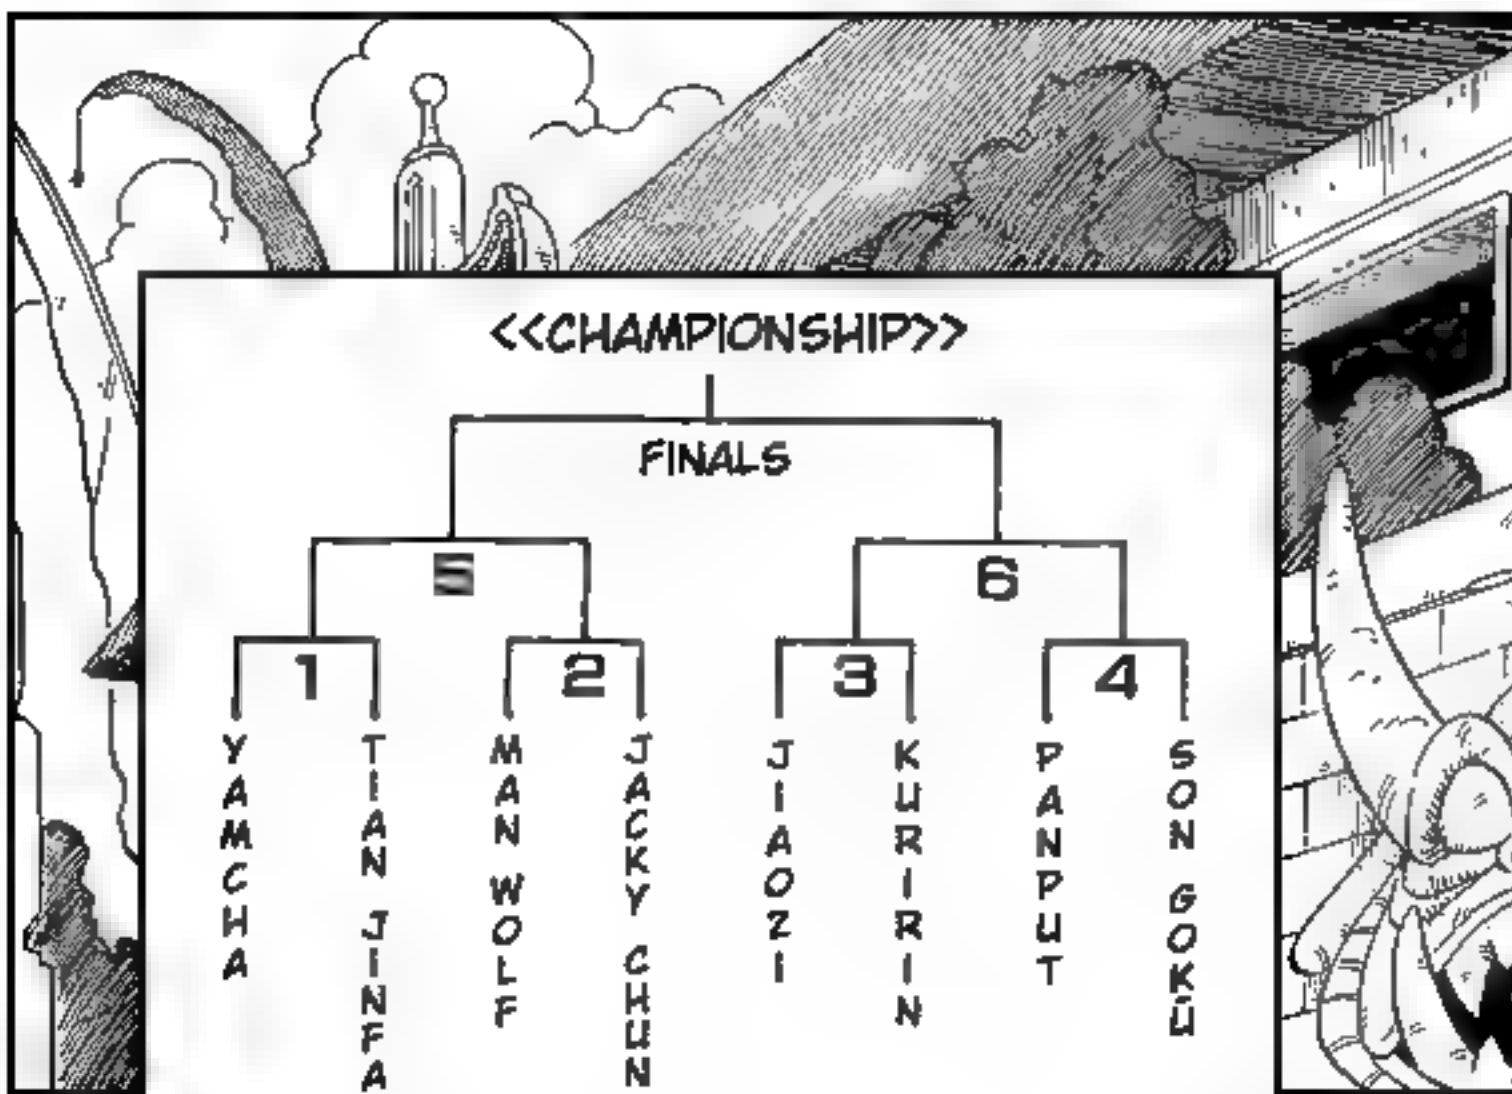
This one is down to the wire. My surgery is in a few hours, and even though it's an ambulatory surgery I doubt I will be able to work the mouse too well at first. So I'll not even try to come up with something to talk about in this chapter.

Still have that annoying (little) message on the front page. Mangafox has deleted the series from it's page since it is licensed and I can't view any pages on Mangareader for it. But the last chapter was still uploaded on Batoto, so the message stays.

FUCK BATOTO AND MANGAREADER


THE CURTAIN HAS FINALLY RISEN ON THE TENKA-ICHI BUDŌKAI!! WILL YAMCHA BE CROWNED WINNER OF MATCH 1!? OR COULD IT BE TSURU SENNIN'S DISCIPLE TIAN JINFAN!?

<<CHAMPIONSHIP>>

FINALS

6: 3, 4

1: YAMCHA – TIAN JINFAN
2: MAN WOLF – JACKY CHUN

My surgery went well. The screw that had come loose was digging into my tendons, and since they took the metal out the constant pain is gone. The movement issues didn't get better, but I didn't really expect it to. But since it was a work accident (on the way from or to work counts as that), the accident insurance is paying me 260$ a month as compensation for the reduced mobility.

Also, the annoying (little) message is gone. I have talked to some people from Batoto and everything was cleared up. When they read my first message they contacted HAO and asked BKMOOG permission. He told them Dragonball was my project, but things got confused. So they didn't contact me for permission and thought they had it. But they contacted me after the second chapter with the message and we cleared it up. They'll respect my wishes from now on, so I'll take the "Fuck off" part down. And I'll say that Batoto is the only onlinehoster that respected my wishes and took the time to actually talk about the issue. I'll give him that.

If you're asking yourself "Why isn't there any text in the tournament match-up pages?", I guess you've caught me being lazy. Your prize is the sour taste of disappointment. Also, there was one page with a lot of text on it. Since I couldn't get a hold of the translator to get a translation for it, I removed the text and little artwork and transformed the page into the look, that a lot of these chapter title pages have.

Like in the previous volumes these are mostly chapter pages that were not put before the chapters. I took out the chapter titles and made them artwork like the rest of the pages.
